06

4. Rotate the nut to adjust up and down

5. Rotate the nut to adjust left and right

Attentions

- 1.If you have any questions or problems during use, please contact support@ohlpro.com.
- 2.Ensure the kneeboard is securely strapped to your leg and the strap closures are fully fastened.
- 3.Rotate the device gently to avoid interference with other equipment.
- 4.Regularly check the kneeboard for any wear or loose parts.
- 5.Make sure the kneeboard straps are securely latched during use to prevent accidental release.
- 6.Avoid over-tightening the straps to maintain comfort during extended use.
- 7.Store the kneeboard in a dry place when not in use to extend its lifespan.
